SCHOOL OF ARCHITECTURE

Purpose: Holi helps to bring the society together and strengthen the secular fabric of our country. Also, the tradition of the Holi is that even the enemies turn friends on Holi and forget any feeling of hardship that may be present. To celebrate the festival of colours and the bond of friendship.

About the Topic: Holi is the vibrant and colourful festival of India. It symbolizes the exuberance of life. It is a day of forgiveness, friendliness, oneness and equality. The event was organised by the cultural coordinators – Prof. Akshatha N S, Prof. Manali Basu and Prof. Savita Mastiholi and was hosted by the 1st semester students. It was inaugurated by the Director, SOA - DSATM who addressed the gathering. He extended his good wishes to all the faculties and students. It was followed by competitions such as Painting, Hand painting, Cooking without fire and Singing competition in the first half. Prizes were distributed to the winners and the students of 1st semester presented a fashion show in the 2nd half. Both students and faculties took part in the competitions.

Resource person/ participants: Students of 1st semester and SOA – DSATM faculties. Total number of participants 30.

Vision: Holi signifies the triumph of good over evil and it's a day when people forgive and forget and let go off the negative energies from their lives to start afresh. The vision of the event was to celebrate togetherness and friendship.

Identification and addressing the gap: Nil

Sponsorship or funding partner: Entry fees + Cultural Coordinators

Measurable outcomes: There was an active participation and a healthy competition between both the teachers and the students and everyone enjoyed the event.

Department of Physical Education & Sport

Sports Report-2021-2022

Dayananda Sagar Academy of Technology & Management is committed to adhere to the highest standard of academic rigor for the students. The college provides a congenial learning environment within its lush green sprawling campus with adequate sports infrastructure facilities. Keeping in view the importance of sports for health and fitness, the institution encourages participation of students in various games, events.

Physical recreation through games and sports has been the priority of the college since its very inception. The spacious sports facilities of the college are being used for playing Basketball, Volleyball, Throw ball, Badminton, squash, Table tennis, etc along with facilities for yoga Gymnasium, weightlifting, Chess and Carom.

All the physical activities require time and energy. Sports enhance the cognitive memory of the brain, helps and initiates in taking quick decisions, also help students excel academically. All sorts of physical activities help in burning calories. Sports help control ones weight and reduce the risk of obesity and most important benefit of sports is that it helps in reducing stress levels.

After two years gap due to the pandemic our college students took part in inter college sports organized by Various colleges and university in the year 2021-22. We conduct the team's selection trials in the month of November 2021 all the department students took part in these selections and gone with aggressive sports training made them to physically fit then we participated in various inter-collegiate tournaments. Also we conduct inter department sports. Being actively involved in sports can help students relax from their daily routine and reduce exam stress. Sports not only make a person strong from outside but also develop a fit and sound body.
