A Report on Kannada Rajyotsava-(Bhramhi-2019)

Kannada Rajyotsava -The Karnataka Formation Day; literally” Birth of the Karnataka state”) is celebrated on 1 November of every year. This was the day in 1956 when all the Kannada language-speaking regions of South India were merged to form the state of Karnataka. The Rajyotsava day is listed as a government holiday in the state of Karnataka and is celebrated by Kannadigas across the world.

With the cooperation of students, faculty, staff members and Management was decided to celebrate **Kannada Rajyotsava** on **09/11/2019**.

But due to the **verdict of rama madira** from the supreme court of India has been announced on the same date hence the programme has been postponed to 12/11/2019.

The Rajyotsava celebration has been planned and celebration began one week before by the Inauguration of historical and famous information’s of the Karnataka places district wise displayed through department wise with the presense of our Beloved principal Dr.B.R.Lakshmikantha and Dr.Sumithra devi.K.A, Dean academics.

Inagation for Kannada rajyotsva week -2019 by The Principal Dr.B.R.Lakshmikantha and Dean academics, Dr.K.A Sumithradevi along with N.S.S officer Prof.Madhusudhana.H.C

NSS-unit of Dayananda sagar academy of technology and management observed Anti-Terrorism Day on May 21, 2019. The pledge led by Prof.Madhusudhana, NSS-officer DSATM was taken by Faculty and students to ‘fight the forces of disruption threatening human lives and values’. The objective behind observance of this day was to wean away the youth from terrorism and the cult of violence by highlighting the sufferings of common people and showing as to how it is prejudicial to the human interest and humanity. India has been one of the countries that have been affected by sustained terrorist activities.

He emphasized that our country believes in the concept of “Vasudhaiva Kutumbakam”, a philosophy that tries to foster an understanding that the whole of humanity is one family, in true spirits and never exhibited territorial interests in the history and never supported terrorism.

He called upon to express his solidarity to fight against the forces of disruption threatening human lives and values in all its forms and manifestations, and to disseminate the message of universal peace, social harmony and understanding among all fellow human beings. An educational Institution has the opportunity in educating and sensitizing the students in large numbers about the terrorism menace. As a premier technical institution of the country, we can also help develop effective technologies which can help to detect and counter terrorist activities well in advance.

A student competition was conducted regarding antiterrorism day observance. Nearly six members given the seminar regarding terrorism, root of terrorism, causes and how reduce the terrorism activities.

Students of 2nd semester Chaitra (1DT18EC027) and Monika.R (1DT18EC050) got the first prize in the competition. Lavanya and Nirbhay got second and third Prizes.

This year's event assumed special significance in the light of deplorable terrorist attacks in Pulwama region of Jammu and Kashmir killing 40 CRPF paramilitary troopers on February 14, 2019 and the Sri Lankan bombings. The event was well attended in large nos., by everyone.

Principal said” We are happy to conduct such a drive in our college and we are quite surprised by the response of the students. We wish to conduct many such events in the college and also would make sure to conduct this camp every year in our college. Many checkups for blood pressure and other tests were conducted by the doctors. The Volunteers took immense care to meet the requirements of students after donating the blood, so as to avoid any mishaps in the campus. All the dignitaries made their gracious presence in the camp which started at 9.30 a.m and went up to 5.00 p.m. Refreshments were provided to the students who were part of the camp. The management of the college provided both breakfast and lunch for the organizing team. The camp was planned for only one day but First day the response was huge, volunteer blood donors were more than expected hence it was extended to one more day. First day (09/04/2019) the collection of blood was 260 units.

Abhishek 2nd sem CSE student said, “It feels great to participate in the event. I being a group donor (O⁺) felt the urge to donate the blood as it is required by many. Today accidents have increased and blood is very much in need for each and every hospital, we students don't feel so much responsible to go to blood banks and donate the blood, therefore conducting such events in college would surely make us aware of our health as well as the need of blood in this world. The huge words and quotes on the posters had an impact on the students, attracted us and made us

to donate the blood. The camp is organized in a much disciplined manner checking each and every aspect of our health. I would like to see such camps and many other

such events happen in our college.” all the students sincerely thank our Supervisor Mr. Kumar Sagar group blood bank manager helped us to conduct the event.

Second day (10/04/2019) the camp was started at 9.00 am along with the student volunteers the hospital staffs started collecting the blood. The response was good so many teaching and non-teaching staffs came and given the blood and also given some valuable suggestions to students regarding blood donation and recovery of blood in the human body. At the end of the day the team collected nearly 185 units of blood. After the session sagar group and Red Cross unit south zone Bangalore handed over the certificates to college. Finally the camp was winded up with group photo session including all student volunteers, faculties’ doctors and donors.
