Details about the event:

- **Introduction** - Esperanza 2k17 was the 4th edition of the Annual Techno-cultural Fest conducted at Dayananda Sagar Academy of Technology and Management, Bengaluru. With the successful graduation of the very first batch of engineers from DSATM during the academic year 2014-15, the previous Student Body composed of students from that batch came to a conclusion. For the academic year 2015-16, new members to the Student Body were appointed from the 2012, 2013 and 2014 batches from all the Engineering and Architecture Departments of DSATM..
- **Competition Format** - In this edition of the fest, a new format of competition was adopted. The fest would be conducted as a contest between all the member departments of DSATM with points being allocated to the department for every student of that branch that emerged victorious in any of the conducted events with the department with most such points being crowned as victors of the tournament. The aim of this competition was twofold, the first being to foster a sense of belonging to the branch the student was a part of and also to encourage the talent of individuals in competitions that were aimed at creating a healthy sense of competition.
- **Guest of Honour** - The event was graced by the presence of the Chief Guest Jayaram Karthik, Civil Engineer and noted Cine Artist of Sandalwood and Bollywood fame. We
